

# Ultimate Safety.... Approved for Foodservice

#### **Maximum Safety**

The ultimate in wearer protection from multiple heat sources, wet and dry.

#### **Maximum Sanitation**

All of our products are designed to inhibit the growth of bacteria. The Quicklean™ VaporGuard® barrier does not allow anything to stick to it, which prevents soil build up and reduces the risk of cross contamination. Every Quicklean™ product is quick and easy to clean.

#### **Maximum Service**

We design industryleading products that can be trusted and that offer effective personal protection against burns or cuts throughout foodservice operations. We offer a one-year warranty against manufacturer's defects. If our customers are not 100% satisfied, we will work with them until thev are.

#### **Maximum Savings**

Our innovative, high-grade materials protect wearers better for a longer period of time. The gloves last 20 times longer than traditional cotton quilted oven products.

# QuicKlean<sup>™</sup> Poly-Cotton Three-Finger Plus Gloves w/ Kevlar Palm

## ITEM #:

57782

### SIZE:

Medium (additional sizes available upon request)

#### LENGTH:
