SAFETY PRODUCTS INC.

Ultimate Safety.... Approved for Foodservice

Maximum Safety
Reduce risks with the highest level of cut protection, reduce hand fatigue, and increase dexterity with the most comfortable (best "HAND") glove available.

Maximum Sanitation
KutGlove™ Cut Resistant Gloves are made from a composite of yarns/fibers with antimicrobial protection that stops the growth of bacteria and reduces the risk of cross contamination.

Maximum Service
We design industry-leading products that can be trusted and that offer effective personal protection against burns or cuts throughout foodservice operations. We offer a one-year warranty against manufacturer's defects. If our customers are not 100% satisfied, we will work with them until they are.

Maximum Savings
Our innovative, high-grade materials protect wearers better for a longer period of time.
