

TUCKER

SAFETY PRODUCTS INC.

Ultimate Safety.... Approved for Foodservice

Maximum Safety

The ultimate in wearer protection from multiple heat sources, wet and dry.

Maximum Sanitation

All of our products are designed to inhibit the growth of bacteria. The QuickClean™ VaporGuard® barrier does not allow anything to stick to it, which prevents soil build up and reduces the risk of cross contamination. Every QuickClean™ product is quick and easy to clean.

Maximum Service

We design industry-leading products that can be trusted and that offer effective personal protection against burns or cuts throughout foodservice operations. We offer a one-year warranty against manufacturer's defects. If our customers are not 100% satisfied, we will work with them until they are.

Maximum Savings

Our innovative, high-grade materials protect wearers better for a longer period of time. The sleeves last 10 times longer than traditional cotton quilted oven products.

16" QuickClean™ Sleeve with Hand Guard

ITEM #:

59502

LENGTH:

16"

COLOR:

Blue

DESCRIPTION:

QuickClean™ Sleeve with Hand Guard
